Hydroelectric Power Plants

The banner of the VTsSPS and the Ministry of Electric Power Plants was again awarded to Niva GES-2 of Kolenergo (director, Balov). This electric power plant effected an 18 percent saving in its own power requirements, fulfilled the established norms for the expenditure of water per unit of power produced, kept the upper water level above the assigned level, and decreased the cost of production of electrical energy.

A second prize was awarded to GES No 14 of Mosenergo (director, Andrianov). Third prizes were awarded to Kegum GES (director, Kireyev) and ZA GES (Zemo-Avchali GES) of Gruzenergo (director, Khetaguri).

Electric Power Networks

A second prize was awarded to the high-voltage electric power systems of the Azenergo power network (director, Baratov). Third prizes were awarded to the electric power systems of the Karaganda network (director, Kudryashov) and the southern electric power system of the Kemerovenergo network (director, Sviridov).

RESULTS OF SECOND-QUARTER COMPETITIONConstruction and Assembly Organizations

Banners of the Council of Ministers USSR, awarded on the results of the First Quarter Socialist Competition of 1949, were again awarded to the construction projects headed by Rogovin, Chankotadze, Loginov, and Sevenard. The construction project headed by Loginov placed hydroelectric unit No 5 into service on schedule, and that headed by Chankotadze placed hydroelectric unit No 3 into service ahead of schedule.

The banner of VTsSPS and the Ministry of Electric Power Plants for assembly trusts was again awarded to the Kievpromenergmontazh Trust (director Pishchik).

Second prizes were awarded to the Gidromekhanizatsiya Trust (director, Fogel'son), the construction project headed by Naletov, Kavkazenergmontazh, assembly enterprise (director, Beylin) and the electric assembly enterprise of the Svir'stroy Trust (director, Neyman).

Third prizes were awarded to the construction projects headed by Yefremov and Gayevskiy.

Plants

The banner of the Council of Ministers USSR, awarded for the first quarter to the Plant imeni 1 May (director, Isidorov), was again awarded to this plant. Also, the banner of the VTsSPS and the Ministry of Electric Power Plants, awarded for the first quarter to the Elektroschit Plant (director, Kolobov) was again awarded to this plant.

A second prize was awarded to the Ivtofmash Plant (director, Savinykh). Third prizes were awarded to the Elektropul't Plant (director, Avetov) and to the Ivanovo Mechanical Plant (director, Vel'bitskiy).

Power Sales (Energosbyt)

The banner of VTsSPS and the Ministry of Electric Power Plants was awarded to the Energosbyt of Sverdlovennergo (director, Tikhonov).
